FMO MATURITY NOTICE

Our records indicate that a portion of your above referenced Accumulator Series variable annuity contract/certificate is invested in the [FMO_MATURE_YEAR] Fixed Maturity Option (FMO). Your contract/certificate may refer to the FMOs as Guarantee Periods. Your [FMO_MATURE_YEAR] FMO is scheduled to mature on [FMO_MATURE_DATE] with a maturity value of [FMO_MATURE_VALUE] on that date.

As of June 30, 2022, we will no longer accept new allocations or reinvestment instructions to FMOs. You may choose to reinvest the value of this FMO at maturity among any or all of the investment options then available under your contract/certificate. You may also withdraw these funds. Withdrawals may be subject to a contingent withdrawal charge, may be subject to income tax and may be subject to an additional federal income tax penalty if you are younger than 59 and one-half.

We must receive your instructions with respect to the maturing FMO at our Processing Office by [FMO-RETURN-DATE]. Please complete and return the enclosed form by that date. Accordingly, if we do not hear from you, the maturing funds will be reinvested into the EQ/Money Market.

If you have any questions, please call your financial professional, [FMO-AGENT-NAME], or our Service Center at 1-800-789-7771.
